Please mark your calendars for A Safe Place's fourth annual Fore the Cause Golf Tournament!

Did you know...

North Carolina is ranked ninth in the nation for human trafficking occurrences! For twelve years, A Safe Place has directly supported survivors of sex trafficking and commercial sexual exploitation with trauma-informed and survivor-centered programs. Thanks to supporters like you, we can continue to meet the needs of survivors and empower them to an independent and sustainable future.

## What do your dollars do?

Provide basic needs and safety to women fleeing from trafficking.

Teach survivors life and job skills to prepare them for independence.

Make trauma and substance use counseling accessible to survivors.

Give education and skills to populations vulnerable to trafficking.

Sustain educational programs for community members to learn about the issue of trafficking in our community.
